Math 8   Name:_____
Writing Assignment: Buying in Bulk

Dan is shopping for gourmet mayonnaise. Mayo brand mayonnaise (his favourite) comes
in two sizes.

250 ml
$2.79

8 L
$52.99

Which is the better buy? Which one should Dan buy?
Explain your reasoning for both questions.

	Exceeds Expectations	Meets Expectations (Fully)	Meets Expectations (Minimal)	Fails to Meet Expectations
Explanation	A complete response with a detailed explanation.	Good solid response with clear explanation.	Explanation is unclear.	Misses key points.
Mechanics	No math errors.	No major math errors or serious flaws in reasoning.	May be some serious math errors or flaws in reasoning.	Major math errors or serious flaws in reasoning.
